### **Professional Experience**

Martim Krupenski joined the firm in 2010, although he undertook his legal traineeship here between 1996 and 1998.

Since 2020, Martim is the firm's COO. He also co-heads the Miguel Galvão Teles Institute.

Previously, he was Operations, HR and Training Director.

Martim has a general commercial and corporate practice and has been involved in several corporate restructuring operations, in particular relating to the mergers and acquisitions of companies and structuring international partnerships. A substantial part of his work involves cross-border transactions. He has also participated in several privatizations.

Martim Krupenski has also been involved in several takeovers in different sectors and provides general legal advice to companies mainly in the areas of commercial, corporate and securities law.
